

CULTURAL AND COOPERATION ASSOCIATION

THE MANDARA SCHOOL

Access to education must be a guarantee for the current and future generation wherever you are born. A school at Kilometer Point 30 in the coastal province of Douala (Cameroon) that provides access for children and girls with difficulties and at risk of social exclusion.

It is a mixed and bilingual school with capacity for at least 240 students and students. With 12 classrooms, toilets, dining room, library, music room, sports space, teacher's room, multipurpose room and extracurricular activities, organic vegetable garden and green area.

We need for it:

- **Construction material:** wood, awnings, cement, bricks, doors and windows, sanitation
- **Furniture:** desks, blackboards, chairs and tables ...
- **School supplies:** Books, notebooks, pencils, chalk, pens, equipment computer, projector, screen, stereo ...
- **Human resources:** local construction professional, local teachers.

The approximate cost for this project is about 12.000 euros (7,800,000 fca)
